

Prime Minister, members of Parliament and the House of Lords.

I do not give you permission to sign any treaty or agreement be it binding or non binding, allowing any outside non governmental organisation the authority to make decisions that affect my family or me, not now, not ever.

I demand a fully informed and transparent referendum of the people to decide on matters of such importance. The people will decide if this treaty is ratified or not and we will have the final say.

You work for the people and paid with our money and as such it is our right to demand a decision of this magnitude, as to the signing of a treaty with a non elected outside organisation, is our decision to make not yours. Remember you represent us.

For this reason, do not verbally agree to or sign any contract with The World Health Organisation, not until the people have decided, by means of a referendum that is transparent and where we are fully informed as to all of the Pros and Cons this entails.

Failure to respect the wishes of the people in this matter, if you ignore this notice and sign any agreement, binding or non binding, we will deem this to be a serious breach of your duty of government and you will be lawfully and democratically removed from office.

I SAY NO TO THE W.H.O. PANDEMIC TREATY.

I DO NOT GIVE MY CONSENT FOR THE GOVERNMENT, ANY MEMBER OF PARLIAMENT OR ANY MEMBER IN THE HOUSE OF LORDS TO AGREE TO THE PANDEMIC TREATY IN ANY OF ITS GUISES WITHOUT FIRST OBTAINING THE EXPRESS PERMISSION FROM THE PEOPLE.

Signed;
